

## **The Fort Wayne Boat Show and Sale has been canceled for 2021.**

The Lakeland Marine Retailers Association that hosts the Fort Wayne Boat Show and Sale at the Memorial Coliseum has come to the decision to cancel the 2021 show due to the pandemic. This decision was made after a thorough analysis of the local market and was guided by the Allen County Board of Health. The Lakeland Marine Retailers Association places the utmost importance on the health and safety of everyone involved in producing, attending and exhibiting at the show.

All of the boat dealers that are associated with the show are listed on the show website at [www.fortwayneboatshow.com](http://www.fortwayneboatshow.com). If anyone is in need of a boat or has questions, please contact any dealer on this list.

We look forward to seeing everyone in 2022 as the Fort Wayne Boat Show and Sale will be back at the Memorial Coliseum February 3-6, 2022.
